Booking:

I require a \$100 electronic non-refundable deposit to secure your session Date + Time.

What happens if you need to cancel/the weather is bad?!

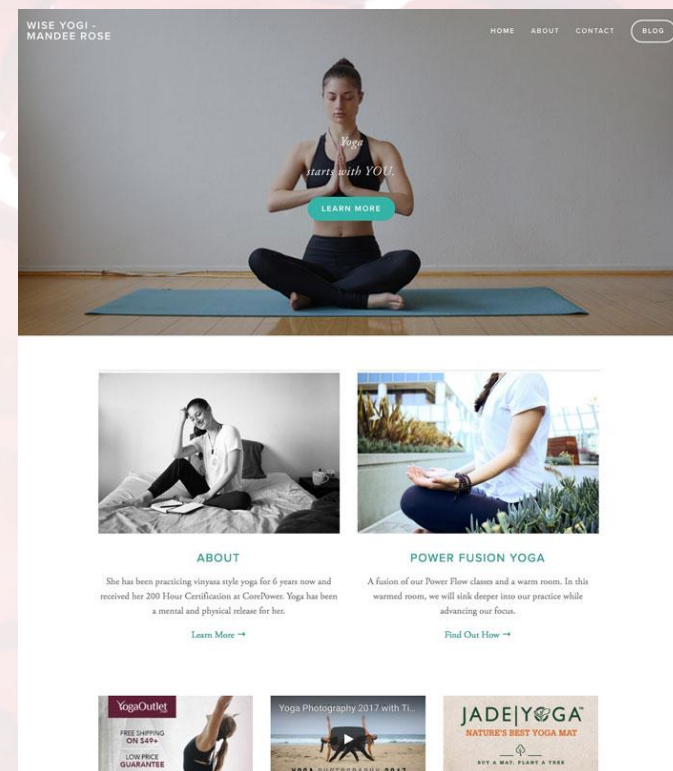

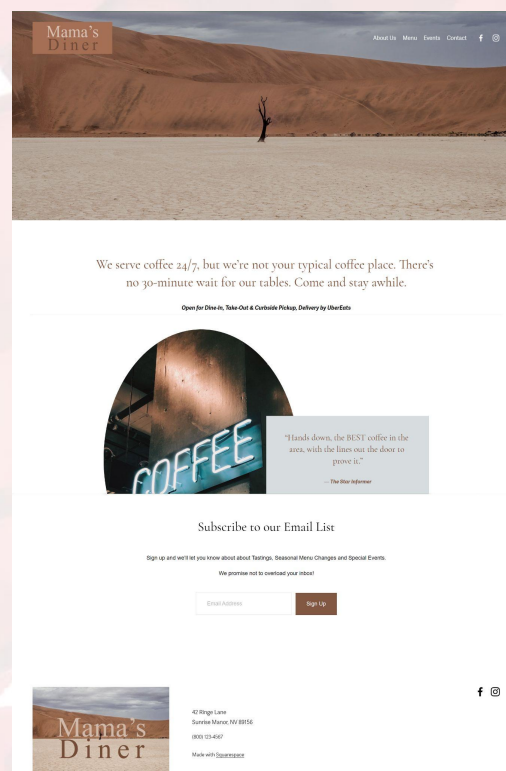

If the weather is crazy/I or you are sick/etc, you can put your deposit toward a re-schedule or you can have it refunded. However, if you need to cancel or don't show up to the session, the deposit will not be refunded. The purpose of the deposit is to lock in your date + time. If you cancel last minute, I could have booked someone else during that period. I do not write anything down in my calendar until the deposit has been paid, making your desired time slot up for grabs. Nothing is booked until the deposit has been paid. The remainder of your session + travel fee is due immediately following your shoot before we both leave.

How will you receive the files?

You will receive the edited files within 2 weeks of your session via PixieSet. You then can send them to print, to your friends + family, and post online! Make sure to save + backup your images because I clean out my client galleries every few months.

Do you get to select the images?

Part of my job is making the image selection easier and choosing the most flattering photographs. The images I do not deliver are either repeats, blurry or out of focus, shots of you blinking or mid-speaking. I have no reason to withhold any images if there are additional ones I think you would enjoy! You get to choose from there :)

Let's sit down and hash out what your needs are in a **Consultation**! My job is to visually represent your business in an authentic way along with using proven marketing techniques. How can I help you get more abundance?
